Water Street Centre Bollington

PS 1111 Pam Smart

Jugs & Flowers

The workshop themed 'jugs and flowers' will take inspiration from contemporary and traditional still life illustrations. We will be experimenting with different masking techniques and using watercolour paint.

The materials list is as follows:

1/4 imperial Heavyweight (425gsm) NOT watercolour paper or stretched (300gsm). I recommend Saunders Waterford

Sharp scalpel or craft knife

Small cutting mat - green plastic ones (I have 6 I can lend)

Watercolours set or tubes & mixing palette

Large brush for washes (can be large round, mop or flat)

A medium (approx size 8/10) and a small round brush (approx size 4/6)

Masking fluid fineliner tube

Looking forward to working with the group.
