

Submission Criteria

Exhibits to be listed on the Submission Form

Hanging work

Members can submit up to a total of 4 pieces of original work either framed, canvas or box canvas which has been completed within the last 3 years, plus one piece of 3D work which must have label or attached tag.

All work should be labelled on the back with: Artist's Name, Title, Media and Price.

Only one piece can be NOT for sale, and should be marked as NFS.

All work must be fitted with hanging cords; clip frames will not be accepted.

Due to limited space we may be unable to accept large paintings or canvasses. If work is above an approximate framed size of A2 (420 x 594 mm) we ask that you enter the size on the Submission Form.

Table display Unframed but mounted and wrapped work

Members can submit up to a total of 2 pieces of unframed work, completed within the last 3 years.

These should be suitably covered in transparent film and labelled on the right hand side (facing you) with: Artist's Name, Title, Media and Price. All work for Table Display must be for sale.

Note: all works on box canvas will be counted as a hanging work and should have a hanging cord.

Browser rack

A total of 3 pieces of work may be submitted (either originals or prints) which will be placed into a Browser Rack. Same criteria as Table Display applies, but prints can be included (if printed this should be shown on the label).

All work must be for sale.

Cards

Members may submit up to 20 cards, either hand-made/finished or professionally printed. Each card must have a label with the sale price, and should be priced in multiples of 50 pence (ie £1.50, £2.00, £2.50 etc). So that we can assign sales to the correct artist, please put your name or initials on each card label as well as the price.
