

Dear Bollington Art Group,

Congratulations on raising **£660.00** for East Cheshire Hospice by holding an exhibition. This is a wonderful achievement, and we are truly grateful for your support. It was great to meet you when you came in for your cheque presentation, and congratulations Jennie on a successful show at Art Fair Cheshire!

I'd like to share some feedback with you that was received from a family member of a patient who was recently cared for here,

“The gentle respect and care given was evident from everyone whom we had contact with. It is difficult to put into words how much this was appreciated by us all.”

Your generosity helps provide quality care, cups of tea, delicious meals, and comfort to those in our community who have been diagnosed with a life-limiting illness, and to their loved ones too. The Hospice is a place where life is celebrated and our patients, their families and carers are at the centre of everything we do.

In order to keep providing our vital services, we need to fundraise over 80% of our daily running costs, so your donation really will make a difference.

On behalf of everyone at the Hospice, thank you for your kind gift.

Kind Regards

Claire
